NINGBO PANGS CHEM CO., LTD

Industrial Dichloromethane Analysis Report

Controlled No.: JY-BG-FX-02 Report date: 11-Aug-2023

Lot No.: GYC223081121 Sampling time: 11-Aug-2023

Implementation basis: GB/T 4117-2008 Analysis time: 11-Aug-2023

Date of expiry: 10-Aug-2024 Quantity: 80 Bucket

Project	National standard premium products	National Standard First Class	National Standard Qualified Products	Test Result
Exterior	Colorless, clear, no suspended matter, no mechanical impurities liquid			Colorless and clear liquid
Mass fraction of dichloromethane/% ≥	99.90	99.50	99.20	99.98
Mass fraction of water/% ≤	0.010	0.020	0.030	0.0045
Mass fraction of acid (calculated by HCL)/% ≤	0.0004	0.0004	0.0008	0.0001
Chromaticity/Hazen unit (Pt-Co chromaticity) ≤	10	10	10	10
Mass fraction of evaporation residue/% ≤	0.0005	0.0005	0.0010	0.0003

Conclusion: National standard high-quality products

Inspection: Y379 Review: Y203 Auditing: Y146
